A COLORFUL & ECLECTIC HOME

Eclectic style creates harmony through the juxtaposition of colors, textures and styles, resulting in a creative and cohesive space that shows off your unique personality while still feeling curated. At our Paintbox model home in Kirkwood, design director Courtney Rogers paired cool finds with colorful pieces to pull together a charming and cheerful home that's one-of-a-kind. Discover the must-have furniture and accessories needed to recreate this spirited style in your own home.
