HOME TO NEW BEGINNINGS

Set along the tranquil banks of the Grand River just 20 minutes from Hamilton, Avalon is Caledonia's community of townhomes and single-detached homes—where thoughtfully designed streetscapes, winding trails, parks, playgrounds, and community spaces invite you to live fully, move freely, and feel genuinely at home. Every detail here is curated to nurture connections—with nature, with neighbours, and with what matters most: everyday convenience, including schools, shops, and dining, all within easy reach and with effortless connections to Hwy. 403, the QEW, Hamilton, Brantford, and beyond.

Here, life flows beautifully. To live. To grow. To belong—and where your next chapter begins.
